Melissa's Message

We kicked off our fall season of events with our first Skype Chapter meeting on Tuesday, September 13th, 2011. Our speaker Eric Abrutyn presented the "Innovation Continuum & Continuous Product Development (IC&CPD)" cycle via Skype to 15 Wisconsin MWSCC members who gathered at the Hyatt Regency in Milwaukee while 53 Chicago MWSCC members regrouped at the Hamburger University in Oakbrook to participate. The poster during Social Hour was "FlexiThix™ Rheology Modifier" presented by Joe Dallal and Mark Dailey from Ashland Specialty Ingredients.

We are accepting applications for MWSCC scholarships until October 15th, 2011. The guidelines and application are published on our website. Please encourage undergraduate and graduate students in a scientific field related to the cosmetic industry to apply. <http://www.midwestscc.org/scholarship/>

We will be holding our election for Chapter and National Officers in October. This year MWSCC will be filling the offices of Chair-Elect, Treasurer-Elect and Secretary. As usual, the Secretary race is hotly contested so be sure to get your ballot turned in. There are a number of races for the National Offices so don't forget to vote in that election as well.

Our Technical Symposium "The Many Faces of Cosmetic Science" is scheduled for October 13th at the Westin in Itasca, IL. We have an exciting line up of speakers and students ready to present their posters. If you haven't registered, you can sign up using our registration form in the newsletter or online at http://www.midwestscc.org/events/detail/october_2011_midwest_scc_technical_symposium/

Teamworks 2012 is fast approaching and 40 booths have already been reserved at the Donald E. Stephens Convention Center. Please make a note that early registration ends December 1, 2011.

Preparations for our November 8th Educational Dinner Meeting are underway. Our Program Chairs are organizing a special "Speed Speaker" event and Elé Corporation will have a poster. Will this be a second Skype meeting? We will have more details about the meeting in our next newsletter and on the website soon. The Officers will be installed and Scholarships awarded. Please join us for what promises to be a wonderful evening. There will be our Toys for Tots drive again this year so please bring your unwrapped toy to the meeting. The Marines will be there to take them to children in need.

Mark your calendars and take advantage of our events. We are always looking for volunteers so please come be a part of the MWSCC excitement. Don't forget to visit our website regularly, particularly the events page so that you can get the full details on all upcoming events and chapter news (www.midwestscc.org).

Welcome to the 21st Century!

Melissa

MWSCC Elections 2012

We need your VOTE!

The Nominating Committee for the 2011 Elections has put together a strong list of candidates. You will receive your ballot in early October. Take a few minutes to vote for the candidates of your choice. Every vote counts, make your voice heard. The results of the election will be announced at the November 8th Educational Dinner meeting.

The chapter is looking for chemists, biologists, sales people and researchers to be a part of the team. General Members in the Midwest area can be elected as an Executive Board member. Both General Members and National Affiliates can be appointed as board members and be responsible for planning next year's events.

If you have any questions about the election, contact our Secretary, Michael Mack, at secretary@midwestsc.org.

MWSCC Chapter Scholarship

The Midwest Chapter Society of Cosmetic Chemists each year offers multiple \$1,000 scholarships to undergraduate or graduate students exhibiting excellence in either coursework or research in the fields of chemistry, biology, cosmetic, or allied sciences. Special consideration is given to students actively pursuing careers in cosmetic science. Applicants must have a letter of recommendation from a faculty member where the recipient is attending.

The deadline for this year's application is
October 15, 2011

The application guidelines and form can be found on the MWSCC website at
<http://www.midwestsc.org/scholarship/>
